SUBJECT: Postponement of Bid Opening

On September 30, 2011 the U. S. Department of Labor (USDOL) published and put into effect new Davis Bacon Wage Determinations. These new Wage Determinations are applicable to this project. The North Carolina Department of Transportation has concerns about these update wage determinations and is currently working with USDOL to resolve our issues. Therefore, NCDOT has decided to delay the Bid Opening for this project and extend the advertisement period. Bids will now be received and read on **December 22, 2011 at 10:00 A.M.**

Please retain any plans and proposal documents that you currently have. An addendum for this project will be forthcoming. If you have any questions regarding this project please contact me.

Yours very truly,
